MEMORANDUM FOR THE FILE

E-X-T-R-A-C-T

25X1 "7. Walt Elder called to tell me that, in a report prepared by  
the [ ] who  
signed the report, said that [ ] was unable to partici- 25X1  
pate because he received a contract form not compatible with his other  
obligations and that this was not corrected in time to permit his partici-  
pation. I investigated this and found that the Panel met on 8, 9, and 10 July.  
25X1 [ ] was notified on 9 July that he should ignore the form and he did,  
in fact, participate informally and unofficially with other members of the  
Panel on the evening of 9 July. Since, however, he did not participate  
officially and, in fact, did not have a contract at that time, [ ] 25X1  
felt that he must include this in his statement. I reported this to Walt  
Elder and hope that this will be satisfactory to the Director."
